In Campus Training Programme on Enhanced CAMELSC (21 to 23 August 2024)

Introduction: NABARD has rolled out Enhanced CAMELSC based Supervision for a set of banks based on a differentiated approach with effect from 1 April 2023 with focus on material risks and quality of risk management leading to holistic inspection and assessment. The Enhanced CAMELSC framework includes forward looking assessment of the Supervised Entities, data driven approach for continuous assessment and risk profiling of the Supervised Entities using data points mapped from the existing database. NABARD has advised the identified banks to nominate two Nodal Officers for focused implementation of Enhanced CAMELSC and submission of compliance to the Statutory Inspection Report in the Supersoft Environment. NABARD has also issued Guidance Notes on the implementation of Enhanced CAMELSC.

With a view to enable smooth transition to the new supervision framework, BIRD-Mangaluru has been advised by NABARD to conduct capacity building programmes for the banks identified under the differentiated approach.
