On-Location Training Programme on Off-Farm Producer Organisations

(01 to 03 July 2024)

Introduction: NABARD has been supporting the formation and nurturing of Off Farm Producer Organizations (OFPOs) since 2016, with the policy for supporting OFPOs in existing clusters. Most of the OFPOs have come-up in the traditional MSME clusters. They also help in preserving the rich heritage of the country through their crafts. The OFPOs have proved to be an important tool to aggregate the artisans, weavers and other rural producers living in small clusters, for aggregation of their produce, expand their market reach and improve their income levels.

OFPOs can play a major role in providing gainful, productive, sustainable and inclusive employment opportunities to large rural populace. Promotion of OFPOs will enable participatory institution development, access to technology, credit and market linkages, provide opportunities for enhanced income, productivity and income generation. Considering the need to expand the available skill sets and capacity building of those involved in off-farm related areas or intend to support such activities, a training programme on Off-Farm Producer Organization is designed and being conducted by BIRD Mangaluru.
