In Campus Training Programme on Social Stock Exchanges & Social Impact Assessment

(22 to 24 July 2024)

Introduction: The Hon'ble Finance Minister, Smt. Nirmala Sitharaman as part of the Budget Speech for FY 2019-20 proposed the idea of an electronic fund-raising platform "Social Stock Exchange" under the regulatory ambit of SEBI for listing social enterprises and voluntary organisations working for the realization of social welfare objective so that they can raise capital as equity, debit or as units like mutual funds. Subsequently after 2 expert group studies, SEBI has notified a framework for listing on the Social Stock Exchange (SSE) that would provide social enterprises with an additional avenue to raise funds or donations. The idea of establishing a Social Stock Exchange (SSE) is to serve the private and non-profit social enterprises and help them in raising funds for projects with sustainable impacts. The objectives of the Social Stock Exchange, hence, are to:

- Serve as a regulated platform that brings together social enterprises and donors
 - Facilitate funding and growth of social enterprises
 - Enabling mechanism to ensure robust standards of social impact and financial reporting
- Considering the need to build the capacity of various stakeholders in these emerging areas of sustainable development, a basic programme has been designed.
