On-location Training Programme on IT Management and Governance for Senior Executives and Senior Management of RCBs

(02 to 04 November 2026)

Introduction: Use of Information Technology by banks and their constituents has grown rapidly and is now an integral part of the operational strategies of banks. The Rural Cooperative Banks (RCBs) are also moving towards digital banking in a big way, whether it is the Core Banking Solutions (CBS), mobile banking, digital payments, etc. The measures suggested for adoption of technology cannot be static and banks need to pro-actively create/fine-tune/modify their policies, procedures and technologies based on new developments and emerging concerns.

The Board of Directors has the responsibility of playing a proactive role in ensuring effective Information Security (IS) and Information Technology (IT) governance. The major role of top management involves implementing the Board approved policy, establishing necessary organisational processes for ensuring an effective IS and providing necessary resources for ensuring adequate IT management.

With a view to equip the Senior Executives/Senior Officials of RCBs on various aspects relating to IT Management and Governance, BIRD Mangaluru is conducting an on-location training program at State Bank Institute of Technology(SBIT), Hyderabad from 02 to 04 November 2026.
