In Campus Training Programme on Project Appraisal, Entrepreneurial Assessment and Financing of Micro, Small and Medium Enterprises

(28 September to 01 October 2026)

Introduction: MSME stands for Micro, Small and Medium Enterprises. MSME sector has emerged as a highly vibrant and dynamic sector of the Indian economy over the last five decades. MSMEs not only play crucial role in providing large employment opportunities at comparatively lower capital cost than large industries but also help in industrialization of rural and backward areas, thereby, reducing regional imbalances, assuring more equitable distribution of national income and wealth. MSME loans are given to startup owners, small business owners and women entrepreneurs on long term and short-term basis. MSME sector has not only been given substantial allocation but has also been accorded priority in implementation of the measures to revive the economy.
